

Remove numbering limitation.  
Most user are interested working on one project at a time. This avoid not overwhelming the user or obligated to select more.

Mis-leading eye direction or focal point of the page when item is selected from the top then filters to the bottom items of categories. Not ideal for mobile.

What project would you like to work on? You can choose up to 5.

Popular projects:

- ☐ Kitchen
- ☐ Full bathroom
- ☐ Garage
- ☐ Sunroom
- ☐ In-law suite

Don't see your project? Enter it here.

Enter the name of your project.
